## 1955

Miss Dorch  
I had lots of fun  
in Spanish this year  
and I'm sure I'll enjoy it  
next year too. Believe it  
or not I think I actually learned  
some Spanish. Always?  
E. Buena and Verdes?  
Donnell Harper

Miss Dorch,  
It seems kinda funny  
to be graduating, but I guess  
we can't stay in your class  
fun being in your class,  
although I don't think you  
appreciated me once in the  
while. It's kinda really gone  
you a rough time, but  
I'm sorry for all the  
trouble I gave you. I bet  
you really glad to get rid  
of us. Good luck! Best  
wishes to a very good  
teacher.  
Janet Olson

Miss Dorch,  
I really learned a  
lot in Spanish this year.  
Next year it will probably  
be harder though.

Hasta luego,  
Adios,  
Miss Dorch  
I hate to leave  
school and I'll miss  
you even though I didn't  
have you as a teacher this  
year. Anne Marie  
Seaman

Miss Dorch,  
I enjoyed being in  
your Spanish class. I think  
I enjoyed it more than any  
other class. See you in  
next year.  
Pat Clark

Miss Dorch,  
I enjoyed having you  
for a teacher this year.  
I guess you had kind  
of a hard time to teach  
me anything but it's been  
fun anyway.  
Lots of luck to you.  
Mellie Lyberg

Miss Dorch  
Maybe not, but I didn't learn much  
this year, but we enjoyed being  
in your class.  
Jim L. Old

ROSE MARCH

Miss Dunch,  
I'm really  
glad I took Spanish  
this year. I really  
felt sorry for you  
sometimes.

I'll see you next year.  
Margaret Hall

Miss Dunch  
This class was very  
interesting, especially the  
longuet & picnic.

Miss Dunch,  
I've liked this class  
very much this year  
and am looking forward  
to another enjoyable  
year, next year.  
Pat Schenck

Miss Dunch,  
I guess I was a bit  
pleasant in your  
class like the  
truth. I can't get  
you don't remember  
things about me. I hope  
I really learned  
better luck with  
not year. Students  
frustrate Bigler

Miss Dunch,  
I really enjoyed being  
in your Latin II  
this year. It was an  
interesting class. I hope  
to see you next year. Best  
of luck in the future.  
Joan Clink

Miss Dunch,  
I'm sure I've  
been a lot of fun  
in our class de español.  
So bad there isn't another.  
See you there.  
How's Heather

Miss Dunch, I  
enjoyed having you  
as my teacher in my  
year. Sorry I  
didn't stay in for  
my senior year  
also. Best  
wishes to you the  
best of luck  
Grace  
Kidd

Miss Dunch,  
I've really learned  
a lot about languages from  
you. It sure will help me  
if I decide to study any  
others. I could have  
learned a lot more if  
I had studied harder.  
It's too bad I realize it  
now. Best of luck in  
the future.  
Virginia  
Aden

Miss Dunch  
Thank you very  
much for your patience  
and kindness. I'm sure  
we all appreciate it.

Dear Miss Dunch,

It has been a pleasure being in your class this year. I will have you next year too so I don't have to say good bye for good.

Dorothy  
Emerson

Dear Miss Dunch,

It has brought me great pleasure to have been able to help make the Roman scriptbook for many reasons. I have gotten to know you better, understand you better and etc. It has also been nice being in your most enjoyable Latin class.

Best wishes  
Brynda  
Le May

Miss Dunch.  
I've enjoyed having you as a teacher. I'll see you next year in Spanish II. Mary Bano

Miss Dunch,

We had quite a lot of fun learning all about our Latin friends this year. Thanks for putting up with me

John Kvien

Miss Dunch, I really enjoyed this year. I won't forget to write to you when I go to Mexico. See you next year. Penny Kuehnast

Miss Dunch

It has been so fun being in your Latin class and I have enjoyed it very much. The Roman Banquet was also loads of fun.

Miss Dunch, I have enjoyed your class so much and am looking forward to Spanish II. Adios Norma Woodcock

# *Monacle*

"Far above the Chippewa's waters,  
With its waves of blue . . . . .  
Stands our noble Alma Mater,  
Glorious to view."

# Dedication . . .

The 1955 Monocle dedication is to Miss Mabel Nelson, English and History teacher and Forensic adviser at Chippewa High School.

Miss Nelson was chosen for a number of reasons, the most important of which is perhaps her untiring devotion to her profession. Possessor of a genial, interesting personality, a perception of what is significant in classroom subject matter, whether it be the Crusades in World History or the misfortunes of Martin Arrowsmith in Sinclair Lewis' compelling novel in English II, the countless students who, through the years, have entered the portals of Room 1 have taken something with them, something wholesome, a bit of Miss Nelson.

Not to be overlooked in this humble eulogy is the outstanding record compiled by Miss Nelson's speech contestants. Endless hours of coaching, listening and an intuitive guidance have resulted in the compiling of a Forensics record without equal in the area. We, of the Monocle Staff, are sure we express the sentiments of the administration, the faculty, the student body and alumni in congratulating you on your unselfish efforts here at Chippewa High and hope you are around for many more years.

## BOARD OF EDUCATION

This year, as in the past, our school has been guided under the excellent direction of the Board of Education. Each year the citizens of Chippewa Falls elect two members to the Board. Very willingly they contribute their time to make our schools better and to make us better citizens.

The duty of the Board is to determine policy governing the schools of Chippewa Falls and to see that every child in the community has the best possible education. To fulfill this duty the Board of Education selects the most capable teachers available to give us personal guidance in our years of learning. The Board prepares the school building program to give us the proper facilities. Then — perhaps the hardest job of all — is the arranging of the school budget; the task of satisfying our parents as the mothers and fathers of school children, who wish for us to have a satisfactory education, and our parents as taxpayers, who are concerned as to where and how their money is spent. Thus, the role of the Board of Education is not an easy one.

Our Monocle would not be complete without giving thanks to our Board of Education for the wonderful job they have done for us.

*Sitting:* SEVOR REMOL, CARL MEHLS, WILLIAM DUREN.

*Standing:* ORMOND MESLOW, DR. FRANK BROWN, ARTHUR LECLEIR.

*Not Pictured:* HENRY CHRISTOFFERSEN.

## SUPERINTENDENT

Our Superintendent, Mr. Halmstad, probably has more problems than any other person connected with the school system. He has to find teachers for all of the different schools and also see that everything is run right at these various schools. Besides that he spends a lot of time backing the construction of the new high school which we need so badly. He is the one that has the job of selling our school system to the public and getting their support.

Altogether he does a very fine job and we'd like to say "thanks" for everything he's done for us.

## PRINCIPAL

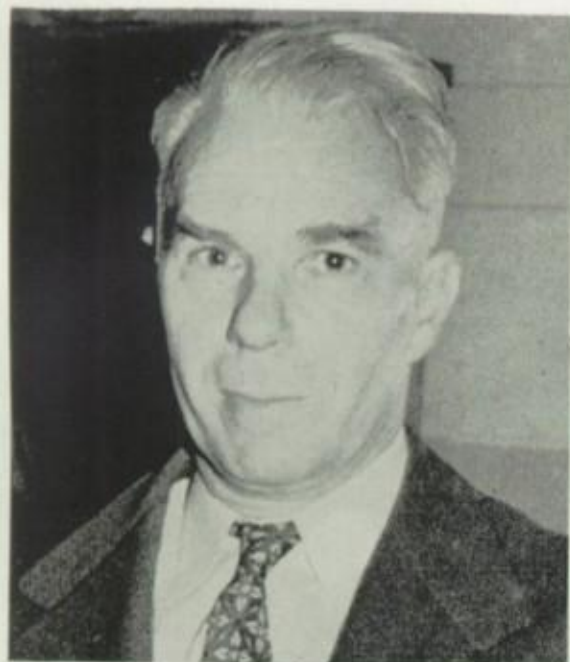

Mr. Earl Molland, formerly Principal of Junior High School, took over as Principal of Senior High at the beginning of the 1954-55 school term.

We admire and respect him for the excellent job he is doing. He applies discipline where it is needed, but is always a very understanding person. He is running our school smoothly and efficiently, and we hope to have him with us for many years to come.

## SENIOR CLASS

It is with regret that we find ourselves at the close of our high school years, but it is also with enthusiasm that we look upon the future. Our years at Chi Hi have been filled with happy days, days which shall be remembered always.

Being a Senior is a wonderful experience, perhaps the most wonderful of all your high school years. You're not a kid anymore; you're young men and women embarking upon careers of the future. You are an example to underclassmen.

Being a Senior tends to make you think about things more seriously. Things that were never important before, now suddenly are. Why, remember our last football game? The way you felt when you realized that you could never live this moment over again. The lump you got in your throat at the last pep meeting, because it was your last pep meeting. Everyday something took place that would never happen again because this was your last year.

Being our last year we began to do more things together — we felt a certain fellowship and unity. When class organization was brought into effect it established a stronger bond between us. We worked

together to earn money so our class could have a Senior Banquet. We sponsored bake sales, dances, and sold tickets to the Class Play, and our work paid off! We had our Banquet the 21st of May, and it was a huge success.

We didn't have anyone give us money to go ahead; we worked for it, and by doing so we appreciated what we got in return so much more.

Our class has a lot to be thankful for. We have had a full education directed by a superb faculty, and we have had advantages in advancement that others before us did not have. And besides all this we will have at our graduation all the members of the Senior Class. This is indeed the most important to us as a class and has been in the mind of every Senior during this past year.

Our class motto is the Bible verse "If God be for us, who can be against us?" and certainly we can all see that God has been for us. Our class colors are red and white, traditional of our school, with the carnation as our flower.

We, the class of '55, bid you farewell.

# Prophecy

Hello, friends, this is Welcoming Wesley bringing you "Welcome Travelers" and broadcasting from the Hotel Henry, overlooking gorgeous, moon-drenched Glen Loch. This Saturday and every Saturday, "Welcome Travelers" is brought to you by that wonderful product, Hedrington's Old Style Root Beer, Bonnie Hedrington, proprietor. And now, before we get back to our special program, the reunion of the class of '55, let's have a word from our sponsor.

(Folks, do you like a smooth, creamy root beer that sort of oozes down your epiglottis, or do you prefer a hearty thirst-quenching root beer that tingles your spine and crosses your eyes as it beats a fiery path to your intestinal organs? Well, then don't buy Hedrington's Old Style because it doesn't do either. You can get it at all root beer depots. May we particularly suggest the Fred Carson root beer depot located at 101 Bridge Street, Chippewa Falls. And now, back to Welcoming Wes.)

Hi ya, all you cool cats out there. We're privileged to have with us today many members of the class of 1955, some of whom traveled across the world to be with us tonite. From France we have Karen Blom, alias Lilli LaRue, who sings at the fabulous Club de la Champayne in gay Paree. She flew here with Gordon Bjork, who is manager of the lingerie department at Antoine's Shop of Women's Apparel in Paris. He brought with him several of his models, including Erma Card, Jean Cheever, and Jannette Cohoon. We got a message from Roger Bonngard saying he couldn't make the reunion because it's football season in South Africa where he plays with the Kawaao Kannibals. Sam Cardinal informed us just before the program that he's running a booming rickshaw taxi service in China. He also said he never could have made a success of it if he hadn't had the help of those two fast men, Gary Tarbox and Ted Rygiel, pulling the taxis. Alfred Almquist established a baby-sitting service at Vassar College for Women in New York and after making so much money sitting with the "babies," he and his chief baby-sitters, Dick Anderson, Jim Bandoli, and David Bathke, were able to retire. Carol Aude, Roxene Berg, and Anne Burich just returned from Hawaii where they have been working in a hospital. Needless to say, these three created quite a sensation when they entered Henry's in the native costume of Hawaii. We were told that Kenneth Buescher and Edward Bunning have been congratulated by the President of the U.S. for their work in the agriculture field. They recently discovered 23 new uses for peanuts. Charlotte Dressel also received commendation from him as she took her place as first woman senator from Wisconsin a few weeks ago.

Delores Bollom is now working for a travel agency, planning vacations for people and from what we've heard she's a very good vacation planner. While we're thinking of it, we'd like to congratulate Bob Buss who was chosen as Mr. Family Man of 1965. We're sure his wife and eight children are as proud of him as we are. Phyllis Decker, Shirley Deyo, and Barbara Fransway are all secretaries for big law firms. Barb is the only one who doesn't like her job, complaining confidentially that her boss just isn't the wolfish type. We also discovered that Bonnie Culbert, Yvonne Gaier, and Dalores Girard have become domesticated and are now settled down as happily married housewives. Paul Forsythe and Don Fellenz are doing a terrific job with the Salvation Army, Paul as chief drummer and Don tooting his trumpet. Incidentally, they both look very handsome in their uniforms. Speaking of uniforms, we have some very handsome servicemen with us tonite. Chuck Halbleib and David Koch are on leave after their 4th year at Camp McCoy. Bill Hanzlik told us that next month he'll be out of the Navy for good. He's going to settle down because he doesn't believe in long engagements. His engagement, by the way, has lasted eight years. Jack Nozel really surprised

us by saying that after ten years in the Navy, he's tired of it. He wishes he had joined the WAVES, much more interesting. Willard Nicholson is a photographer for Esquire magazine and tells us he likes his job very much.

Every class has its movie stars, and we're lucky to have with us Janice Hallum, starring now in "Move Over, Rover" and Bill Goulet starring in the mystery "Who Planted the Fleas in my Beard?" Gary Myers is the culprit in the picture and is put under suspicion because he owns a flea circus. He can't imagine why he's suspected, but even the efforts of his lawyer, Dick McIlquham, are of no avail. He finds himself in a prison where Don LeMay is warden. The last scene finds him scratching himself. His own fleas had turned on him. So you see, crime doesn't pay. Arnold Schindler and Charles Lien are operating a barbership and asked us to give them a plug. Grace Kidd and Marion Johnson are in the same business, but seem to get a lot more customers. Arnold and Charles are trying to figure it out. Bonnie Greenwood and Joy Hendrickson are now stewardesses. We were sorry they were unable to come downstairs here to the party, but it seems they both got sick from the high altitude in the hotel elevator. Bonnie Hogle is riding in a horse show out West. Betty Horne and Helen Hughes wanted to do the same thing, but they're working as waitresses and the only riding they do is to and from work on the bus. Kathleen Krall and Arlene Kressin and Eleanore Pehlke are chorus girls in the hit Broadway musical "Know Tony?" This play stars another member of the class of '55, Jim Young. I'm sure you all remember Jim as the big dramatic talent in the class play of '55.

Well, what do you know? Here comes Dick O'Neill. He just got back from Canada where he's a lumberjack. And right behind him are Janet Olson and Mary Peloquin, my, how they've grown. Wrestling is just the thing to make little girls big, though. Jan is now known as "Roley Oley" and Mary as "Man-Sized Mary." We also have another famous wrestler with us, "Soft-Boiled Sloop." You may remember him as Delmar. Virginia Rasmus is now in Sweden, teaching the Swedes physical fitness exercises. Barb Rineck is a famous tennis player. We always knew she would be, by the way she handled that racquet in gym class. Shirley Roehling is making her living by entering contests and winning prizes. She started that back in high school. Jane Sielaff and Joan Schmeiser are as yet "old maids," but they're doing very well writing stories for the True Confession Magazine. Bill Schoch and Bob Robertson are two handsome bachelors who live next door to Joan and Jane, and if they have their way, Joan and Jane won't be "old maids" much longer. Corrine Voegeli, because of her success in high school Spanish class, is now an interpreter in South America. Nancy Westlund and Kathleen Stetzer now work at a perfume counter and the room smelled considerably sweeter when they came in. Ann Thorpe has become a world traveler, and Susan Rose is now managing the old hang-out of the class of '55, the Empire. Robert Webb is now a very rich farmer and owns almost all of the land around Chippewa Falls. LaVone Wohlbier is now a famous psychiatrist. Several of the members of the '55 class have been under her care, but these names will not be mentioned. Gerald Wucherpfennig is a deep-sea diver and is very wealthy since he discovered a sunken treasure. Pat VanderWoud left for Siam because she said she "wanted to be away from it all." Arlene Schafer is now a horse nurse. But that's because there's a very handsome horse doctor in town. Marlene Scheel is a swimming instructor at the YMCA. The membership has risen 300%. And here comes Don Zutter. What do you think he is? You guessed it, a professional playboy!

That's all for the class of '55. It's been nice finding out about the "old gang" and what they're doing in 1965. And now this is Welcoming Wesley signing off "until we meet again."

# Class Will

NANCY ANDERSON wills her domesticity to Jean Allison.

## Honor Students

DIANE BUSHLAND, *Valedictorian*

DAVID HALMSTAD, *Salutatorian*

The two highest honor students of the class of 1955 were Diane Bushland, Valedictorian, and David Halmstad, Salutatorian. Diane had the highest possible average of 3.000, and Dave's average was 2.944.

During her high school years, Diane was very active in extra-curricular activities. She was a member of Chorus (Secretary in her senior year), Glee Club, and Thespians for the past three years, and also was a member of the Monocle, Speech Club, Latin Club, Athena (President in her senior year), and Cardinal Cadets. She was a member of the Student Council, and played the part of "Margaret" in the Senior Class Play, "Seventeenth Summer."

Dave was very interested in speech work and was a member of Forensics and Debate for the past three years. He served as President of the N.F.L. in his senior year. Dave was a very excellent debater and was named on virtually every all-tournament

team. He was elected to Badger Boys' State in the summer of his junior year, and was the senior class chairman on the Student Council this year.

Other students graduating with high scholastic ratings were:

## Senior Class Play

SEVENTEENTH SUMMER, a comedy adapted from Maureen Daly's novel, was given by the Class of '55' on April 27.

The story of the play is charming and nostalgic and tells of the summer of a seventeen year old girl named Angie. Her awakening interest in a young boy, Jack; her exciting activities with him; her first formal dance and her disillusionment; her preparations for college and then happiness — all are portrayed simply and delightfully.

Patricia Schmidt and Don Zutter enacted the roles of Angie and Jack. Angie's understanding

parents were played by Wanda Wucherpfennig and Clifford Roder. Diane Bushland and Christine Bigler were the two older sisters, Margaret and Lorraine. Margaret, happily engaged to Art (Harlyn Misfeldt), tries to help Lorraine and her relations with Martin Keefe, man-about-town (Robert Remington). Adding humor and spice is the youngest member of the family, Kitty, ably done by Mary Peloquin.

Other characters who added to the plot of the story were Margie and Jane, gossipy and troublesome (Delores Bollom and Phyllis Decker) and Fitz and Tony, their boy friends (Jim Young and Dave Pressler).

## American Legion Awards

This year the two seniors chosen by the senior class and the faculty for the American Legion Award were Don Zutter and Diane Bushland. This award is given each year to the girl and boy who represent their class with good leadership and citizenship. The qualities necessary for this award are leadership, scholarship, honor, companionship, character and courage.

## Most Valuable Player Award

The most valuable player for the 1954 football season was Roger Bonngard. Roger began the season playing tackle on the team. His fine blocks sprang loose our backfield many a time for long gains and touchdowns. When the team needed power in the backfield, Rog shifted to fullback and averaged over five yards per carry.

Roger well deserves this fine award and honor for his outstanding contribution to Chippewa Falls High School athletics.

## Arion Awards

The Arion Awards, which were presented to two hard-working and cooperative music students, were awarded to Karen Blom and David Pressler at the Annual Spring Concert on May 10.

Miss Averill presented Karen her award for work as a member of the Chorus and Glee Club; and Dave, a three-year member of the Cardinal Band, received his award from Mr. Elliott.

Karen has been a soprano soloist and has sung for practically every organization in the city. She has been a member of the Sextette and Carolers, and was Glee Club accompanist this year.

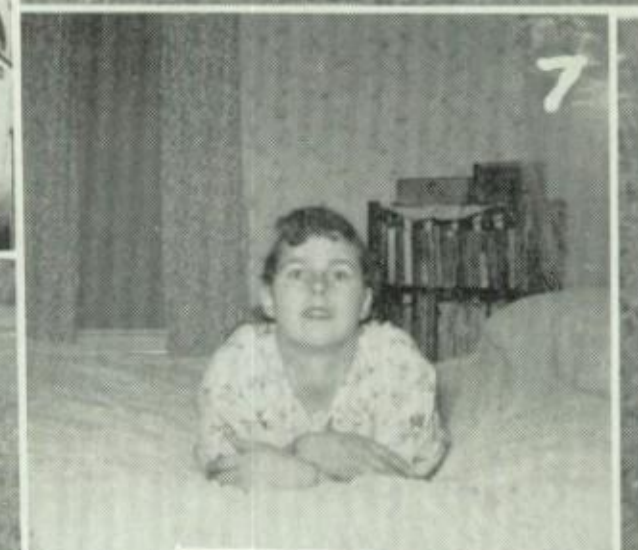

Dave's talent was displayed as a bass drummer. This year Dave headed a Pep Band and was also President of the Cardinal Band.

## D.A.R. Award

Janet Olson was chosen by popular vote of the Senior class of 1955 to represent Chippewa Falls High school for the D.A.R. award. This award is given to a senior girl each year on the basis of leadership, scholarship, honor, character and courage. Janet has shown these outstanding qualities in the many activities in which she has taken part, some of which are Band, Pep Band, G.A.A., Thespians, Athena and Pep Club as well as many activities in the community.

## JUNIOR CLASS

Just think kids, next year we'll be Seniors. It doesn't seem too long ago that we began our first confused day of school as sophomores.

As we take a brief glance over the past year, we remember two outstanding events that are always reserved for the Juniors. First came the big decision of choosing our class ring, remember? We all were hoping the ring we liked best would be chosen. The votes were cast and counted and everyone was satisfied with the results. Then came the Junior Prom. What a task trying to decide on the "perfect" theme! We finally decided on "How Deep Is The Ocean?" We really worked hard for that, didn't we? . . . and it was all worth it. The whole evening was beautiful and wonderful.

There were also extra curricular activities including homecoming skits, student council elections with Bob Smallman the only new member, class officer elections (Myrna Harck, Pres.; Jackie Ball, Vice Pres.; Bobbie Gunderson, Sec.; and Bob Smallman, Treas.) and lots of good times at games and parties.

We worked hard (?), had loads of laughs and fun, and we all hope to be back at it again next year.

1—Future Farmer? . . . 2—Don't get excited! It's just coke . . . 3—That tribe again! . . . 4—You'll never guess who this is! . . . 5—A Thursday in the woods . . . 6—Are these what you call beach beauties?? . . . 7—Putsi in her better days . . . 8—Blanket party, Carol?

## SOPHOMORE CLASS

With the beginning of school in September, Chi Hi welcomed the group of incoming sophomores, much to the amusement of the juniors and seniors. After the first few days the sophomores seemed to know their way around, and school got under way.

One of the things which concerned the sophomore class was the magazine sale. Miss Nelson's first period English II class took the big prize. In the drawing for the radio or camera, a lucky sophomore also received this, namely Marilyn Walters.

This year the following sophomores were elected for the Student Council: Penny Kuehnast, Carol Bergeron, Alice Holbrook, Ann Lindsey, Jill Whereatt, Larry Dodge, and Mike Zweifel.

During Homecoming, Chi Hi always has skits from each class. The sophomores received third place.

This year the cheerleaders had eliminations just like the football and basketball teams. The cheerleaders chosen were Carol Bergeron, Elaine Rivard, Alice Holbrook, Jean Solie, Audrey Berg, and Joan Smith.

The boys on the football team were Larry Stordahl, John Abrams, Dick Olson, Bert Webb, Stanley Lester, Mike Peterson, John Kvien, Clyde Umbaugh, Cliff Green, Don Anderson, Jim Wright, Alan Smith, Joe Hoover and Jack Priegel. We're off to a good start!

The basketball team looked very promising this year. The sophomore boys who were on the B-team were Larry Dodge, Bert Webb, John Kvien, Jim Wright, John Hogseth, Alan Smith, Mike Peterson, and Dick Olson.

Our sophomore debaters, Joan Smith, John Hogseth, Carol Nozel, John Kvien, Larry Dodge, Ann Lindsey, Mary Dinkel, Mike Peterson, and Kathleen Welch, have done very well this year. Our first team won first place at Merrill and our second team won first place at Eau Claire. It has been said that the sophomore debate squad has a very promising future.

We have one official pep band member from the sophomore class, Mary Jane Roycraft.

As a group, the sophomores have much to be proud of.

1—Sitting Pretty . . . 2—Newty . . . 3—What a frame! . . . 4—The Old Grey Mares ain't what they used to be . . . 5—Hey, Penny! Not so fast! . . . 6—Strictly under-cover.

## The Monocle

By looking through this year's Monocle you will agree that it is the best ever. Although a lot of credit should be given to the members of the Monocle staff, even more should be given to our editor, Joan Schmeiser. Assisting Joan in her work were: Jim Cardinal, photographer; Corrine Voegeli, business manager; John Meslow and Myrna Harck, assistant editors; and LaVone Wohlbier, who was in charge of the write-ups and captions.

We would also like to thank the writers, typists, artists, and everyone who has strived to make the '55' Monocle the best!

## N. F. L.

This year the National Forensic League had a membership of thirty speech students. In order to gain membership, a person must earn 20 points through speech work. These points can be earned in debate, declamations, extemporaneous speaking or reading, oratory, or any other kind of forensics. After 20 points are earned, a person then works toward different degrees such as Degree of Honor - 50 points, Degree of Excellence - 100 points, and the Degree of Merit - 200 points.

The officers this year were President - Dave Halmstad, Vice-President - Dave Pressler, Secretary - Sonja Rasmussen, and Treasurer - Bob Smallman. Meetings were held on every first Wednesday of the month.

The Chippewa N.F.L. members won the Sweepstakes Trophy at the annual tournament held this year in Wisconsin Rapids on the 25th and 26th of March. This trophy is based on excellence in contest participation.

Pat Schmidt qualified for the National Tournament to be held in San Diego, California in June through this contest.

May 11th was the date of the annual Open House. At that time ten new members were initiated.

## Debate

Chippewa High has produced excellent debate squads again this year. The "A" team won 45 and lost 17 debates, climaxing the season with second place at the state tournament. Sophomore teams swept all opposition before them, winning both the Merrill and Eau Claire tournaments.

This year's question was very timely, being debated in Congress as well as in the nation's high schools. It was: Resolved that the Federal Government should initiate a policy of free trade among nations friendly to the United States.

Dave Halmstad was virtually on every all-tournament team, with Pat Schmidt, Bill Elstran, Jack Nozel, and Ron Christenson winning such an honor at least once.

The "A" team brought home the first place trophy from New Richmond, where Bill Elstran also won first place honors in After Dinner Speaking. The team finished second at the sectional tournament in Chippewa. They placed third at Merrill, Duluth Denfeld, Eau Claire, and La Crosse Logan.

We had two teams of promising sophomores. Larry Dodge, John Hogseth, Joan Smith, and Carol Nozel won at Merrill but had to settle for second place at Eau Claire behind the team of Mary Dinkel, Mike Peterson, Ann Lindsey, Kathleen Welch, and John Kvien. Excellent debating was turned in by the other debaters, too.

Pat Schmidt, Dave Halmstad, and Ron Christenson debated affirmative while Sonja Rasmussen, Jack Nozel, and Bill Elstran debated negative on the "A" squad. Other debaters included: Nancy Baier, Mary Dinkel, Larry Dodge, Sara Froberg, Mary Heian, John Hogseth, John Kvien, Ann Lindsey, Jim Lott, Mike Peterson, Jane Sielaff, Joan Smith, Diane Vogler, and Kathleen Welch.

## Chatter

Not very many people are aware of the fact that the Chippewa *Chatter*, our school paper, is the voice of Chi Hi.

Our paper is not just distributed around school like most of us think. It is exchanged with forty other schools, sent to members of the Board of Education and all the people who advertise in the *Chatter*.

Everyone on the *Chatter* staff really deserves to be there, for no one can just join. A certain amount of work must be done before their name will be added to the staff. There are some members not present on the picture who have, since the picture was taken, gained membership to the *Chatter* staff.

This year the *Chatter* sponsored a "Twirp Twirl" dance. This was a dress up affair and quite a success in spite of deer hunting. Twirp Tags were drawn to determine who the queen would be. Judy Girard was the lucky girl and became queen for the evening.

The *Chatter* sponsored "Singing Valentines" this year on Valentines Day. The last fifteen minutes of every period was devoted to singing the songs.

The Editor of the *Chatter* this year was Dave Pressler, with Mary Ellen Heian as Assistant Editor. The Page Editors were Joy Hendrickson, Myrna Harck, Mary Ellen Heian, and Jack Nozel. The *Chatter* is under the direction of Mrs. Mary Lee.

## Carolers

This year the Carolers, under the able direction of Miss Harriet Averill, entertained many appreciative audiences throughout the city. Among some of the places they sang were various churches, the Rutledge Home, and the County Home.

The purpose of the Carolers is to spread good will and to set a pace for the Yule Tide season with bright, cheery carols and to retell the old Christmas Story through verse and song.

The girls are costumed in bright red outfits which also represent the gaiety of the time. They have found a way of using their talents in a melodious manner.

Being in this group is no easy task, for there is plenty of work connected with it, including 7:30 A.M. rehearsals and many after school practices.

## Mixed Chorus

The Mixed Chorus, under the direction of Miss Harriet R. Averill and accompanied by Carol Rasmussen, was composed of ninety-six members this year.

The Chorus made its first appearance of the year on November 24 when it presented four songs at the Thanksgiving Program.

On December 15, the Chorus and Band combined to present their annual Christmas Concert. The Chorus and Band, for the first time, together presented the selection, "Three Songs For Christmas."

March 20 was the date that the Chorus took part in the Choir Festival at Eau Claire sponsored by the Wisconsin Federation of Music Clubs. In the afternoon, the Chi Hi Chorus was the demonstration choir under the direction of Robert Chandler, the guest conductor. In the evening, the Mass Chorus together with the Eau Claire College Orchestra and Chorus, presented a concert for the public.

The sixth annual Sacred Concert was given on April 4. By popular request, the Fred Waring arrangement of "Song of Easter" was again presented. The Boys' and Girls' Glee Clubs also sang.

On May 10, the Chorus once again combined with the Band, this time for the Spring Concert. Dale Sommerfeld and Danny Peloquin had incidental solos for this program.

The Chorus participated in the Eau Claire District Music Festival on Saturday, May 7, where they sang 3 songs.

For their final appearance of the year, they sang the traditional "Speedwell" at Baccalaureate on May 29.

Officers for the Mixed Chorus this year were:

## Sextette

The Chippewa High Sextette is a group of girls chosen from chorus members by Miss Averill. The girls are selected on the merits of quality, tone, and blending abilities of their voices. The objective of the sextette is to further music appreciation by achieving balance of blend and expression of thought, thereby beautifying the song.

Bonnie Hogle, a second soprano, was the only returning member from last year. The other five

girls were: Evelyn Cripe, second soprano; Jean Lennie and Karen Blom, first sopranos; and Mary Lou Welch and Myrna Harck, altos.

The sextette made many appearances during the year including the Midwinter Prom and the Fiesta Jamboree.

By getting a star on their number at the Eau Claire Solo-Ensemble Festival, they were eligible to go to the State Festival at Madison.

## Cardinal Band

As usual, the Cardinal Band, composed of sixty-seven members, came through with many fine performances. The Band appeared with the Chorus at the Christmas and Spring Concerts. The Marching Band appeared at the football games, various parades, and at the music festival held at Eau Claire on May 7.

The Band also appeared at Commencement and at the opening of Irvine Park in the spring.

Again the school can be proud of the musicianship and the discipline of their excellent Cardinal

Band under the capable leadership of their director, Mr. Elliott.

## Pep Band

We can again be very proud of our Pep Band. Through their fine music, we have all enjoyed this year's pep meetings and basketball games.

The members are chosen by the band director, Mr. Elliott, and the band's president and vice-presi-

dent. It is an honor to be chosen as a member. The members are all Seniors or first or second chair players.

The Band was especially enjoyable this year because of all the new swing music that was played.

## Commercial Club

Membership in the Commercial Club is open to anyone in the Junior and Senior classes who has taken at least one commercial course. The main purpose of the club is to help the members understand what a business career actually would be like. At every meeting there is a guest speaker who has a position in the business world. Usually this is a girl from Chippewa who graduated from Senior High and began her business career shortly after. These people tell about the kind of work they do, the different types of people they work with, and business machines they use that the girls in school are not familiar with.

This year, as in every other year, the Commercial Club started out with the initiation of new members. Each new member was to dress as she definitely would not dress in an office. The one who dressed the most ridiculously won the prize.

Each year the club enters a float in the Homecoming Parade. This year the float with a theme of "We Have A Whale of a Team" took second place. The girls, under the supervision of Miss Ostrem, really put a lot of time and effort into this float.

Every month the girls sponsored a bake sale in order to keep a reserve of club funds.

The officers for this year were as follows: Rogene Nyhus, President; Pat Hilp, Vice-President; Corrine Voegeli, Secretary-Treasurer. Miss Ostrem is the adviser of the club.

## Athena

The Athena organization is designed to bring about better relationships between the girls in school, and to encourage ideals of excellence in womanhood.

In order to be eligible for membership in Athena, a girl must be a junior or senior student and must maintain a "B" average.

The big event for the Athena girls this year was the Midwinter Formal which they sponsored. The girls, under the guidance of Miss Rose Durch, worked very hard to make the prom the success that it was.

The mothers of the Athena girls were invited to a program on Cottey College presented by the P.E.O. Sisterhood and to the annual Mother-Daughter Tea. At the Mother-Daughter Tea five senior members presented a panel discussion on the careers they

have chosen.

The "Swing Out" was held in May. It was a banquet planned by the junior girls as a farewell to the senior members.

The Athena girls sponsored a bake sale every Thursday. The money was used to promote educational opportunities by giving a scholarship to a deserving senior girl. The presentation was made at the "Swing Out."

The first semester officers were: Mary Lou Welch, President; Karen Blom, Vice-president; Corrine Voegeli, Secretary; Barbara Rineck, Treasurer.

The second semester officers were: Diane Bushland, President; LaVone Wohlbier, Vice-president; Carol Aude, Secretary; Dalores Girard, Treasurer.

## F. H. A.

This year the Future Homemakers of America opened the club with the largest enrollment they have ever had. There were ninety-one girls who signed up to participate in this club.

The Future Homemakers is a national organization of pupils studying homemaking in junior and senior high schools. It was founded on June 11, 1945, and is an incorporated non-profit youth organization. It is composed of chartered associations in the United States, Puerto Rico, and Hawaii.

During the Christmas season everyone brought gifts and sent them to children in foreign lands.

Once a month the club has a business meeting where a guest speaker talks on a subject interesting to future homemakers. After the meeting a supper is served in the dining room.

Barbecue sales, hot dog sales, candy sales, and a big bake sale were all held this year in order to earn money for the trip to Minneapolis on April 2 to see the Ice Follies.

At the end of the school year a Treasure Hunt Picnic was held at the Irvine Park. This is an occasion looked forward to by all F.H.A. girls.

The officers of the club this year were: Joy Hendrickson, President; Sharon Lunderville, Vice-President; Barbara Rineck, Secretary; Charlotte Dresel, Treasurer; Carol Aude, Song Leader; Marla Doncevic, Historian; Sonja Rasmussen, Reporter.

Mrs. Huber and Mrs. Johnston act as advisors for the club, Mrs. Huber for the first semester, and Mrs. Johnston for the second semester.

## F. F. A.

The Future Farmers of America consisted of 76 members this year, Mr. Lucente is the advisor.

This year started out to be very successful for the F.F.A. Our F.F.A. had nine beef entries and five hog entries in the Northwest Livestock Show at Eau Claire. Chi Hi's F.F.A. represented its club with four pure bred Bulls in the Chippewa County Dairy Cattle Breeders Pure Bred Bull and Heifer Sale.

The club has its own basketball team and this year they won the championship at the six-team tournament held at Stanley. Roger Bonngard was high scorer for the season's games.

The boys traveled by bus to Minneapolis on April 16 and saw the Ice Follies.

As in the past, the F.F.A. planned and promoted the Rural School Day; and they also had a Father-Son Banquet.

## Student Council

"We, the students of Chippewa Falls Senior High School, in order to give the students a practical knowledge of democracy by instituting self-government in Chippewa Falls Senior High, to bring about better cooperation between the students and their teachers, to establish higher standards of character, leadership, scholarship, and school spirit, do ordain and establish this constitution for the Student Council of Chippewa Falls Senior High School."

In this preamble the words state the real meaning of the work of the Student Council.

The Council is organized with seven elected representatives from each class. The President of the Council was Dave Pressler; the Vice-President, Ray Holte; and Secretary, Janet Olson. One representative is chosen from each class to represent it as class chairman. The following people were class chairmen for this year: Penny Kuehnast, Sophomore; Pat Schendel, Junior; and Dave Halmstad, Senior.

This year the Council sent representatives to the Student Council State Convention in Madison to learn how other Councils are working together. The members that were sent are as follows: Dave Pressler, Larry Dodge, Sara Froberg, and Mary Ellen Heian.

Council members were also sent to a district convention which was held at Spooner. This was also to get new ideas for our council. Jill Whereatt, Carol Bergeron, Don Fellenz, and Bob Smallman attended this conference.

## Thespians

Thespian Troupe Number 144, has enjoyed its usual successful year in drama and entertainment.

"Our Town," an amusing American comedy, was presented three times in December.

February was highlighted by the exciting Fiesta Jamboree. This lively version of life south of the border, was a combination of songs, dances, and skits. Dave Pressler was a most amusing master of ceremonies. A dance was held in the gym afterwards.

The impressive Thespian initiation ceremony was performed March 15. Approximately 30 new members were sworn into Thespians at this time. After the initiation, two one-act plays, "To the Lovely Margaret" and "Elmer" were presented to the many Thespians and their parents.

The last dramatic offering of the school year was the senior class play, "Seventeenth Summer" in which many Thespians were cast.

On May 14, a bus load of Thespians journeyed to Minneapolis to see "The Pajama Game" at the Lyceum Theater.

Thespian officers were Dave Pressler, president, and Ruth Elbert, secretary. Miss Johnson is the advisor of this dramatic organization.

### Office Girls

They say that experience is the best teacher. Under the guidance of Miss Ostrem and Mrs. Diedrich, the girls who work in the office gain much experience. This experience will be valuable to them no matter what vocation they may enter.

The office girls have many tasks which they must fulfill. Some of these jobs are: collecting the attendance slips, listing the daily attendance for the records, sorting mail, operating the ditto machine, answering the phone, and running numerous errands. The work varies each period much as it does in any other office.

Many of the office girls are in the Secretarial Training class or are taking some other secretarial course. They usually work for nine weeks or a semester.

### Librarians

The student librarians are a busy group. Not only are they responsible for keeping the library in order, but they also are responsible for keeping the students quiet. They perform various tasks such as checking out books, shelving them, checking newspapers and magazines, and taking care of the books and their cards in general.

# Athletics . . .

"Far above the busy humming of the bustling town . . . . ."

*Sports are a highlight to students whether we're in the cheering section or making the points.*

# CHEERS AND CHALLENGES!

Mary Peloquin, Vonnie Jensen, Darlene Bollom, Bonnie Hedrington, Donna Cohoon.

## Cheerleaders

The girls with the most pep in school this year were probably the cheerleaders. They really have to be on their toes to keep the spirit of the student body up. We all know they tried very hard to do this too. They carry quite a lot of responsibility on their shoulders; they have to plan the pep meetings and really boost the morale of the players.

The cheerleaders have changed their outfits. Instead of red sweaters and white slacks, they have white sweaters with the letters "C.F." on them, and red wool skirts.

At the beginning of the year, sophomores tried out for cheerleading. They practiced for a few weeks and then Miss Johnson, the advisor, and other teachers selected the most promising from the group. The very capable girls chosen were: Joan Smith, Jean Solie, Audrey Berg, Carol Bergeron, Elaine Rivard, and Alice Holbrook.

The junior cheerleaders are: Betty Burich, Sara Froberg, Pat Hilp, Ruth Jewett, Mary Jean Kohls, Mary Lynn Shimek, and Murlaine Zillmer.

The senior girls have done a marvelous job this year and we all truly appreciate it. Much of the team's success can be attributed to the cheerleaders for their efforts in arousing the spirit of all. The girls are: Darlene Bollom, Donna Cohoon, Bonnie Hedrington, Vonnie Jensen, and Mary Peloquin.

# Football Games

## CHIPPEWA VS. THORP

The Chippewa Cardinals opened their 1954 football season against the Thorp Cardinals and managed to trounce them 24 to 13. Chippewa got the flip of the coin and elected to receive. In the early minutes of the game John Rassbach found a nice hole, and, with Ray Holte running as his interference, had only two men to go through. Ray blocked out both of these men and John scampered 65 yards for our first touchdown.

Holte on a pass from Elstran ran 25 yards for our second touchdown. The half ended Chippewa 12, Thorp 0.

In the third quarter Rassbach intercepted a pass and ran brilliantly for another touchdown. Zutter blocked an attempted pass by Thorp which Elstran took on the fly and ran for another touchdown. All our extra point attempts failed.

Thorp scored twice in the final quarter against our reserves.

## CHIPPEWA VS. MEDFORD

Chippewa lost the toss-up and had to kick off. On the second play of the game, a Medford player broke loose for a 75 yard run and made the score 6-0. Medford ran around right end for the extra point. For the remainder of the football game, both teams fought on even terms. Chippewa's offense was very strong and we threatened many times, but couldn't push a score across the goal line. One of the major reasons for this was our light backfield and a very muddy field. This was the first loss for the Cards in the 1954 season.

## CHIPPEWA VS. MENOMONIE

The Cards dumped Menomonie by the score of 26-6. The first half went scoreless for the Cardinals, but Rassbach of Menomonie went 65 yards for a touchdown. Zutter blocked the try for the extra point.

The second half the crowd found out what goes on during half time. The Cards made four touchdowns and held the Indians flat. Hanzlik threw some terrific passes and set up two touchdowns. He went over for the first one, Smith carried the ball for the second, Bonngard bulled his way for the third, and Holte caught a pass for the fourth.

Popple made two extra points and Zutter missed one.

## CHIPPEWA VS. BLOOMER

Coach Orrie Boettcher's fighting Cardinals lost a heartbreaker to the Bloomer Blackhawks on the enemy field by a score of 6-0.

Bloomer was rated number one in the State and the Cards were out to see what they could do about it. The Blackhawks had one of the quickest and smartest backfields in this area, as the Red and White soon found out. The Cardinals played one of their finest games on defense, as they held the powerful Bloomer team to only a total of 68 yards all night compared to 175 yards gained by the Cards. Bloomer only had one first down compared to eleven for the Cards. They scored the only touchdown of the game in the closing seconds of the first half on

a pass play from Poirer to Hassemer which ate 25 yards. The Cards played a really tremendous game. They covered 70 yards and missed a first down on the Bloomer three yard marker by one yard with only seventeen seconds left in the game. The Blackhawks knew they were really in a terrific football game all the way.

## CHIPPEWA VS. EAU CLAIRE

Coach Orrie Boettcher's fighting eleven really played terrific ball against the Eau Claire Old Abes, and after it was all over the score was Chippewa 0, Eau Claire 0.

Eau Claire had a very fast and hard charging line but the Cards never gave up. Eau Claire had the biggest scoring threat of the game when they got to Chippewa's 9 yard line before the Cardinal forward wall spilled an Eau Claire runner and Roder recovered the fumble. Rassbach, Hanzlik, and Bonngard led the Cardinal backs in a fine running attack. Lea, Zutter, Bowe and Nozel were stalwarts in the line.

## CHIPPEWA VS. STANLEY

The Cardinals played their worst game of the year against Stanley and lost by a score of 7 to 6. Chippewa's defensive game was the only thing that kept them on the field until Beaudott of Stanley made a terrific 80 yard touchdown run. Anderson kicked the extra point. Chippewa's score came when guard, Don Zutter, broke through the Stanley line to block a punt. It rolled 25 yards into the end zone where Smith recovered for the touchdown.

## CHIPPEWA VS. RICE LAKE

The Cards scored the only touchdown of the game in the fourth quarter on a pass play from Elstran to Hanzlik. Keith Popple's perfect placement made it 7 to 0 for the Card's third win of the year. Up until the fourth quarter score by the Red and White, the two teams had battled on fairly even terms in a bruising defensive display. With less than a minute to play, Rice Lake was threatening deep in Chippewa territory but Roder intercepted a pass and almost got away for another Red and White score. He didn't make it, but the interception was the final blow to the Warrior hopes.

## CHIPPEWA VS. LA CROSSE

Coach Orrie Boettcher ended a very fine football season this year when the Cards topped La Crosse Logan 12 to 6. It was the first victory the Cards had claimed from Logan since 1937.

The first score came on a pass from Elstran to Rassbach, and the second on a pass from Elstran to Bill Schoch, who played a wonderful game in place of the injured Ray Holte. Another Chippewa drive bogged down on the Logan 2 and then they marched all the way for their score. The Cardinal defense held Logan to 6 first downs while we got 13.

The win from La Crosse marked the end of a fine season with a record of 4 wins, 3 losses, and 1 tie.

## Pep Club

The Pep Club is an organization concerned with arousing the student body to support their school's athletic activities. The club was advised by Miss Genevieve Johnson and the president this year was Janet Olson.

The major project of the Pep Club is the sponsoring of the Homecoming festivities in the fall of the year. This year, due to the efforts of the Pep Club, the students were able to have a Snake Dance and a Bonfire and Rally for the first time in years.

The Pep Club started a new activity this year. Various groups prepared skits and presented them at the Pep Meetings. One outstanding skit featured Mr. Elliott's and Mr. Meyer's interpretation of Liberate and his brother, George. Mr. Elliott had the piano and candelabra under control, while Mr. Meyer had his violin. The other skits also were enjoyable.

The club's activities proved to be very successful and were enjoyed by all.

# THE ALL AMERICANS

## G. A. A.

The Girl's Athletic Association was originated in 1936 with the purpose of promoting sports ability and sportsmanship.

The G.A.A. year always starts off with the well-known "initiation," which most girls agree is worth going through if they love sports well enough. The Juniors have the honors of being the tormentors. A few of the girls became ill, but this was due mostly to the raw liver and garlic. Also a few managed to scrape their noses while slowly and somewhat pain-

fully pushing a pickle down main street, but don't let us scare you.

This year, the President was Jacqueline Ball; Vice President, Mary Jean Kohls; and Secretary-Treasurer, Karen Gatten.

Sportsheads were chosen to organize the sports. Speedball, tumbling, basketball, volleyball, and softball were the sports available to participate in. For each sport 100 points were credited toward a G.A.A. letter or pin.

## Basketball Games

The Chippewa High School Cardinals finished their 1954-55 basketball season with a 15-7 record. This season proved to be a record breaking year as they averaged 75 points per game and scored 95 points in the final game of the season which was the highest number of points ever scored by a Chippewa High School basketball team.

The Cards started off their season with a "bang." Led by Meyer and Krause, they dumped Mondovi easily by the score of 80-57. In the second game of the season Crowley and Meyer each hit over twenty points which was just enough to beat Cornell in an overtime 77-76. The next three games proved to be victorious as they beat Thorp 57-39, Bloomer 78-71, and Rice Lake 87-69.

Going into the Eau Claire game, the Cards had a 5-0 record. The big floor jinx seemed to hit the Cards as they dropped the ball game by the score of 67-48. Krause and Crowley led the scoring, but it wasn't enough to beat the Old Abes.

After Christmas vacation the basketball team was strengthened by the addition of forward Ray Holte, who was just recovering from an ankle injury received in the final football game.

The sixth game was played at Cornell with the Chief's coming out on top 67-64. It was the second straight loss for the Cardinals. Then the Cards snapped out of their slump with an 81-72 victory over Cadott. Krause dumped in 23 points with Hanzlik adding 19.

The following game was probably the game which the Cardinals wanted most. We tried to break the big floor jinx again but failed as Altoona won 80-67. The sharp-shooting Railroaders were just too much for the old Cardinals. The next two games probably were the best offensively for the Red and White all year. They scored a combined total of 169 points as victory came easily over Menomonie and Thorp.

After a loss to Altoona by a 58-46 score, the Cards hit a hot streak as they won five games in a row. They defeated Rice Lake 73-66, Cadott 72-50, Bloomer 65-63, Menomonie 72-63, and Chetek 65-62. It was just the time when the Cards reached their peak and things couldn't go wrong.

Carrying their good record into the second Eau Claire game, the Red and White were confident of a victory. Again the Old Abes were too much as they easily won 79-45, but we had nothing to be ashamed of as the Abes went on to win the State High School Basketball Tournament.

A letdown after the Eau Claire game was the reason for the 71-64 loss to Mondovi, a team which the Cards beat easily in their first meeting. Then came the final home basketball game of the season and the Cardinals broke the scoring record, beating Chetek 95-79.

The Regional Tournament was held at Menomonie and the Cards defeated Menomonie in the first round. Our second opponent was the Eau Claire team which proved too much for us for the third time this season.

All in all, it was a fine season and our congratulations go out to Coach Lehman and his basketball team for a very successful season.

# Homecoming

Homecoming at Chi Hi started off on Wednesday morning with an hour and a half pep meeting. Six skits were presented (two from each class). The first Junior skit took first place and the Senior skit number 2 took second place. Rev. C. M. Schendel was also on the program. The Pep Club members added to the spirit by having the school gaily decorated in red and white crepe paper.

Vonnie Jensen was chosen by the student body to reign as Homecoming Queen and her attendants were Shari Kolstad, Mary Peloquin, and Nancy Baier.

For the first time in many years, the students were privileged to be able to have a Snake Dance and a Bonfire. Although it just poured (doesn't it always?), the Snake Dance started at 7:00 on Wednesday evening from the Senior High. The Snake Dance comprised of enthusiastic rain-drenched Cardinal fans, made its way to the Marshall Playgrounds where the Bonfire was held. Among other things, the cheerleaders led the kids in yells, and Coach Boettcher spoke.

The rain continued all day Thursday but finally stopped 15 minutes before the parade started at 6:00. The Queen's convertible (a nifty Cadillac) led the parade followed by the cheerleaders, two bands, and six floats. The F.F.A. float took first prize for the second straight year.

The Coronation ceremony took place before the game and Queen Vonnie, attired in a red jumper and white blouse, as were her attendants, was crowned by Jerry Prince, football and basketball player of the class of '54'.

The game between Chippewa and Stanley was played on a muddy field and the playing conditions weren't what you'd call desirable. The final score wasn't exactly desirable either, as we lost by a score of 7-6.

The final Homecoming event was a dance at the Junior High gym with Harvat's Orchestra providing the music from 10:00 to 12:00.

## Midwinter Formal

Dancing to the music of Jimmy Knight in a "Christmas Fantasy" setting proved to be very enjoyable at the Midwinter Formal this year. The event took place at the Junior High School Gymnasium on December 11.

The gym was beautifully decorated in a pink and blue color design with different shades of blue crepe paper draped from the middle of the ceiling to the balcony. Pink streamers were placed on all of the walls. In one corner of the gym was a large Christmas Tree decorated with blue lights. A reindeer was suspended from the ceiling in another corner and a sparkling, pink and blue sleigh was directly across from the bandstand.

The floor show, with Wanda Wucherpfennig as Mistress of Ceremonies, began with the singing of the theme song, "Christmas Fantasy," by the Sextette.

Danny Redmond, Don Fellenz, and Harlyn Misfeldt, the Cornet Trio, played "The Three Stars."

The crowning of the Queen, the main event of the evening, then took place with Danny Redmond crowning the Queen, Karen Blom. The Queen and her court marched across the floor to the sleigh where they watched the rest of the floor show. The attendants were Nancy Baier, Shari Kolstad, Mary Peloquin, and Marlene Scheel.

The floor show ended with Cliff Roder singing "O Holy Night" and the Greenwood sisters playing "White Christmas" and "Sentimental Journey" on their marimba.

The Grand March then took place, and the dancing continued until midnight.

The prom was sponsored by the Athena organization this year, under the direction of Miss Rose Durch.

# HOW DEEP IS THE OCEAN

## Junior Prom

A mythical ocean floor with beautiful colors of aqua, white, pink, sand, and peach was the setting for the Junior Prom theme: "How Deep Is The Ocean." The Junior High Gym was gaily decorated with miniature pastel fish and sea horses. A false ceiling of twisted aqua and white created the effect of ocean water with white caps topping it. From the ceiling also hung two very large fish, aqua and peach in color, with crepe paper fins of corresponding colors. A false front of white and sand crepe paper draped from the balcony to the floor and separated the dance floor from the lounging area.

In one corner of the gym stood a treasure chest, encased with velveteens and overflowing with jewels and all the other things a sunken treasure chest overflows with. The chest was painted a light aqua with peach trimming to blend with the color scheme and had light colored vines entwined about it as though they had grown there over a number of years. A fan-like backdrop of azure blue completed this scenic addition of the prom.

The broken hull of a ship occupied another corner of the gym. It was a light pink in color and varied pastel vines appeared to be growing on and about it. It was masterfully set on a built-up stand which resembled a rock reef. Star fish and sea shells were strewn around on the floor beneath the boat. The band stand was decorated in white crepe paper and had azure blue trimmings with small fish apparently swimming on the wall behind it. The stand itself was sand colored and had vines and sea weed placed around it.

Another of the main features were the three large sea horses which stood in front of a fan backdrop, similar to that of the treasure chest. The sea horses were surrounded by beautifully polished giant sea shells and large star fish.

The throne of the king and queen sat opposite the band stand with azure blue and white for its colors.

The small fish which were placed around the gym walls were of varying pastel shades, some with large fins and others with unusual designs on them.

A lighthouse, which sat in the balcony, had a revolving light of four colors mounted on it. The light, resembling a lighthouse beam, shone down on the dance floor adding more color to the dreamy atmosphere.

Dick Nosal acted as Master of Ceremonies for the evening. He called on Dave Pressler, last year's Junior Prom King, to crown the new king — Dave Gutknecht. King Dave then crowned his queen, Pat Hilp, while the Royal Court of Keith Mueller and Carol Sweeney; Bob Smallman and Mary Heian; and Tom Lea and Elaine Rivard looked on. The Royalty were then escorted to their throne to view the floor show. Myrna Harck sang the theme song "How Deep Is The Ocean." Then came an interesting dance interpretation of the samba by Janie Gutknecht. "Fiddle-Faddle" was a spicy piano duet played by Jackie Ball and Jean Lennie. Miss Ostrem and Mr. Ullmann, Junior Class advisors, were then acknowledged for their guidance in the planning of the prom. The Grand March led by King Dave and Queen Pat followed the floor show.

More dancing, and then the couples left the prom for after-midnight snacks at their favorite clubs — and from there home with their souvenirs and happy memories.

The Junior Prom was this year under the direction of the Junior Class officers: Myrna Harck, President; Jackie Ball, Vice President; Roberta Gunderson, Secretary; and Bob Smallman, Treasurer.

# My Latin Book and I

The second-year Latin book is fairly interesting, but there are some parts of it that seem rather useless.

The main characters in most of the stories are Publius and Furianus, a pair of typical (?) Roman lads of their day. The only faults of these two seem to be a habit of talking in very simple sentences, a tendency to criticize the Greeks, and suffering an unbelievable number of mishaps on the way from Rome to Greece. They are studying rhetoric in Athens at the moment, and our daily work consists of trying to decipher their conversation on various matters. A few lines ago, I said that their conversations were simple. The more I think about it, the more it seems that this was rather misleading. It is only the final meaning that is simple. No matter how trivial the statement is (example of one: Is the sailor singing to scare the frogs?), the two boys always succeed in creating a grammatical confusion.

The authors of this book manage to confuse the translation with a number of things such as indirect questions, ablative absolutes, result clauses, and occasionally a rare double indirect question, which I am sure no typical Roman boy used in his daily conversation. This rare construction confuses everyone, and always has to be explained in a footnote, although Publius and Furianus seem to handle them quite easily.

The little world of these two seems to consist entirely of Rome, Athens and the Adriatic Sea. The only time they strayed from the two cities for any length of time, they were marooned in a miserable swamp, and had to spend the night with the frogs and mosquitoes. They seemed to have learned their lesson, however, as they haven't strayed from Athens for fifteen pages, and seem to be entrenched there for at least another ten or twelve lessons. These stories end happily, I am glad to report. I looked ahead in the book, and Publius and Furianus graduate and become generals in the Roman army. And some people wonder why Rome fell! It seems to me that any empire whose generals use double indirect questions cannot long endure.

# THE EYES AND EARS OF THE WORLD

## Speech Club

The goal of this year's Speech Club was to raise enough money so they could take a field trip to Minneapolis in the spring. Money was raised by having three dances and a bake sale. Enough money was also raised to have a steak fry in May and to buy a new phonograph for future Speech classes.

The trip to Minneapolis was taken on Wednesday, April 6. Both the radio and television stations of WCCO were toured in the afternoon, and a live show was seen at the radio station. In the evening, the group attended the play, "The Tender Trap," at the Lyceum Theater.

During the first semester of the year, some of the members participated in a TV-show, "Your School Reporter," which was televised every Friday

evening on WEAU-TV. The students wrote and prepared their own scripts, which told the public of the activities taking place here in the Chippewa Falls Public School System. The experience proved most worthwhile to the students presenting the program, as they were able to learn just what takes place behind the scenes in television. Those students participating in this work were: David Pressler, Jim Cardinal, Wanda Wucherpfennig, Kathleen Krall, Bill Larsen, Vonnie Jensen, and LaVone Wohlbier.

The second semester was devoted to radio work. They started off with a 5 minute newscast and eventually it became a half hour show on WCHF. Jim Cardinal and Wanda Wucherpfennig directed and produced the show, and the news reporters changed every week.

## Photo Club

The Photo Club, starting its first year, had 14 active members who were interested in taking and printing their own pictures. Enthusiastic meetings were carried out with demonstrations on developing and printing pictures.

The Photo Club's dark room is now complete with fine equipment, including a contact printer, enlarger, ferrotype plates, electric dryer, a print washer, paper cutter, and safe lights; with many other things. The room offers ample space and many students spend their study periods hard at work developing and printing their own pictures.

Each month, members turned in five pictures on some subject the group decided upon. Afterwards, each picture was judged by two teachers from the faculty. The judges chose the best picture of the month. Each member entered one of their best pictures in the Ansco Photo Contest.

Photo Club officers were: President, James Cardinal; Vice President, James Cahoon; Secretary-Treasurer, Lois Nosal; and Mr. Jackson acted as advisor.

Miss Dunch:

I'm very sorry that I gave you such a bad time in Spanish. I'm sorry to leave the class of one of my best teachers. I hope you have better luck your classes than you did with ours. Someday I will come back to see you. Goodbye.

Clifford Roder.

## THE CHIPPEWA PRINTERY

PRINTERS OF "THE MONOCLE" SINCE 1910

Dear Miss Durek,  
It was nice having  
you as my Spanish teacher  
for two years. I know I learned  
many other things as well as  
Spanish. It was fun working  
for Athens with you.

Le Quiero de mejor suerte siempre.  
Hasta el año que viene,

Ruth Dodge

Miss Durek

How much gusto I write  
in your book. It has been  
nice having you as a teacher  
again this year and I look  
forward to having you  
again next year. I hope  
some day I'll be able to  
take just one of the trips  
you have taken, it's always  
a pleasure to hear you tell  
about them.

Hasta luego

Betty M. Donald

"Miss Durek,"

I guess I should  
thank you for having  
so much patience  
with me. I've  
really enjoyed your  
class.

Hasta luego,

"Mary Jean Kell"

Miss Durek

It was nice being  
in your Latin class and  
I think I'll like Spanish  
just as well next year.

Marion Gay Jr.

Miss Durek,  
I certainly  
enjoyed having  
you for a teacher,  
I'm sure I learn-  
ed many things  
that I'll carry with  
me for the rest of  
my life. Thank  
you for a wonder-  
ful year and all  
the work you did  
on the Latin Banquet.  
Sincerely,  
Mary Lou

Miss Durek,  
I had lots of  
fun in your class  
but I don't think  
you appreciated me  
to well. See you  
next year.

As ever  
Beverly  
Ballou

Dear Miss Durek

I've really enjoyed  
being in your Latin  
class. I was quite  
mixed up when I  
came in, but now  
I understand the  
language quite well.  
Thank you for all your  
patience with me.

I wish I could take  
Spanish next year,  
but my schedule is  
already full. I've  
enjoyed the Latin  
classes very much.

Sincerely  
Carol Rasmussen

Miss Dorch,

It was really a pleasure to be in your class this year. I'm afraid our class wasn't as quiet as it could have been! But I hope you'll forgive us!!

The Banquet really turned out swell, thanks to all your help.

Val,

Ann Lindsey

Miss Dorch:  
Su clase era muy interesante. Le gustó muy bien.

Adiós

Pat Farbo

Miss Dorch,

I have enjoyed Spanish. I only hope I can apply myself more next year. I know I haven't worked up to capacity, but I plan to do better next year. The picnic I would say was excellent and I know we all enjoyed it. Thanks again for doing a job, not many people would enjoy doing. Have a wonderful vacation and I will see you next fall, I hope.

Muchas Gracias,

Alan Smith

Miss Dorch,  
I have enjoyed  
taking Spanish.  
I am looking forward  
too Spanish II. Have  
fun this summer.  
Adiós  
hasta el año que viene  
Beverly Price

Miss Dorch:-

I enjoyed the two years I had you as a Spanish teacher.

I sure hate leaving my school years behind me.

Jan L. Blum

I have enjoyed  
Spanish very  
much. Muchas  
gracias para las  
sesiones.

Dianne Kuss

Miss Dorch,  
I have enjoyed  
having you for  
Spanish I. I am  
looking forward  
to Spanish II.

Rosa Taylor

Miss Dorch,

I sure enjoyed having you as my Spanish teacher. Have a nice vacation and I'll see you next fall.

Lyle Krumenauer

Rose Durck

Miss Durck,

I enjoyed Spanish class very much this year. I hope you have a nice vacation and I wish you luck in all you do.

Marlie

Miss Durck,

I enjoyed Spanish Class a great deal and I know I could have paid much more attention, however Spanish Class as a whole has meant much.

Clara Jean Davis

P.S.

I also enjoyed working for the Surigaults that we had and on other errands.

Best of Luck to you in all that you attempt in the future.

Miss Durck,

It has been a pleasure to have you for a teacher this past year. I enjoyed your class very much and got a great deal out of it. I'm looking forward to taking Spanish II from you. I feel it will be quite interesting. Have a very wonderful vacation and take it easy. I think most teachers need a long vacation after having students like us for nine months. The very best of luck to you this summer.

Bob Elstrom.
